

U.S. East-West Province Sponsorship Office *Who we are and what we do*

The Sponsorship Office develops processes and structures for excellent governance practices and integration of mission within SNDdeN sponsored ministries in U.S. East-West Province. A few of our priorities are:

- Support the understanding and growth of Catholic identity and the Notre Dame heritage and values of their institutions by providing education relative to mission integration, sponsorship, and governance
- Commit to Catholic Social Teaching, especially in areas of diversity, equity, inclusion, belonging, anti-racism, care of the earth/climate
- As a team, develop expectations and accountability for mission effectiveness for SNDdeN sponsored ministries in U.S. East-West Province

We recently completed SNDdeN Board Member Orientations and look forward to providing more formation programs, resources and opportunities for in-person mission integration and collaboration for all members of our ministry communities - faculty, staff, students, leadership and directors. Watch for registration forms and invitations to our ongoing/upcoming conferences, sessions and meetings.

Mission Moments

Thank you, Lord, for all the gifts you have given me and especially for the greatest gift of all - your unfailing love for me. I pray for all those who are suffering and in need of healing.

May they find health, consolation and peace in your loving kindness.

-Sr. Jane Hughes, SNDdeN

Hallmark Retreats

The Hallmark retreats engage educators in reflection and conversation on the Notre Dame de Namur hallmarks and tradition. All Notre Dame faculty and staff are encouraged to attend a Hallmark retreat during the first several years of their tenure. Past participants share the retreats are "a wonderful experience to meet colleagues in the Notre Dame network," and "provided much needed rest, reflection and renewal for me personally and as a teacher." 2023

March 17-18, 2023, Notre Dame Spirituality Center, Ipswich, MA

Please contact your head of school, campus minister or mission leader for registration information.

Notre Dame Educators: Partners in Mission

An orientation program welcoming new teachers and staff into the network of Notre Dame de Namur sponsored ministries and schools. The program offers an in-depth view of the history of the congregation, its mission and purpose, Catholic social thought, Notre Dame Hallmarks, and the spirituality and vocation of a Notre Dame educator. Sessions include presentations and time for small group sharing and discussion.

This is a pilot program that has been scheduled to accommodate the East coast school schedules. We hope to expand to the West coast time zone in the near future.
