

Some of Sr. Helen's Favorite Quíps

1. Love many; trust few. Always paddle your own canoe!
2. Venus de Milo was noted for her charm, but strictly between us, you're more beautiful than Venus, and what's more you have arms!
3. She was pure as a snowflake, but she drifted!
4. Leaves wither, flowers may die, friends may forget you, but never will I.
5. She was only a baker's daughter, but she sure could handle the dough.
6. If you love me as I love you, no knife could cut our love in two.
7. Be true to your teeth, or they will be false to you.
8. Skinny lady took a bath; she didn't tell a soul. She forgot to put the stopper in and she went right down the hole!
9. There was an old lady from Worcester (Woo-sta)
She had nine hens and a rooster (Roo-sta)
The rooster did die, and the lady cried.
Now the hens don't lay like they used ta.
10. You asked me to write in your album.
I just don't know where to begin.
There's nothing original about me...
except original sin!
