In Ministry...

Since 1804, the Sisters of Notre Dame de Namur have answered the call to educate for life and take a stand with the most abandoned people, especially women and children.

In Prayer ...

Our spirituality is characterized by the call to discover and become the very goodness of God in the world.

In Advocacy ...

Driven by principles of social and environmental justice, we advocate within our local communities and around the world.

In Community...

Sisters of Notre Dame de Namur hold all things in common and encourage each others growth.

Our Mission

Sisters of Notre Dame de Namur, women with hearts as wide as the world, make known God's goodness and love with and among people living in poverty, through a Gospel way of life, community and prayer.

Continuing a strong educational tradition, we take our stand with people living in poverty, especially women and children, in the most abandoned places. Each of us commits her one and only life to work with others to create justice and peace for all.

THIS IS THE LEGACY
OF THE
Sisters of Notre Dame de Namur.
